

Athikkal Bricks

& Clay Works

May 9, 2019

Hello **there**,

For the past two decades we have been involved in the production of high quality **Bricks**. We always ensured to build layers of construction that stayed strong for years. Late, we reached a threshold and realized the need to find ways to incorporate a **change**. In the process we would like to extend our hands so as to collaborate with creative heads in the market like you few. On top of the production line of traditional wire cut clay bricks, we would like to add more diversified and customized products in the pipeline according to your requirement like Jaali, Hurudies, Hollow Bricks, Floor Tiles etc **which is for you to comment**.

On a separate note we would like to share quotes of our **Clay Bricks** ready for sale at store. Please find the same below

- Product : Wire Cut Clay Bricks
- Size : **8.5/4/3** inch
- Price : **16 Rs** per piece (GST extra)

The price does not include delivery and bricks would be dispatched only upon payment.

Call to know more and connect,

Thanking you .
